Oxford Reference is the home of Oxford’s quality reference publishing bringing together over 2 million entries, many of which are illustrated, into a single cross-searchable resource. From subject and language dictionaries in the Oxford Quick Reference collection to award-winning Oxford Companions and Encyclopedias in the Oxford Reference Library, you can cross-search Oxford’s trusted reference content at the click of a button.
Oxford Quick Reference

All these titles are included in an annual subscription to Oxford Quick Reference (available to individuals and institutional customers), and as a collection to purchase (for institutional customers*)

Over 125 core subject, language, and quotations dictionaries make up Oxford Quick Reference, providing concise and accessibly written entries for readers wanting to quickly check a fact, or find out key information about a concept, person, or term, from Art to Zoology.

An aggregated, dynamic collection of titles, Oxford Quick Reference has an active editorial updating programme. It is updated monthly to ensure current and carefully vetted quick results you can trust, in addition to 3 major updates a year which add new titles and editions to the collection.
